

Amy Messano

Chief Marketing Officer

As chief marketing officer, Amy Messano is responsible for Altair's global corporate marketing and communications strategy and execution. She has more than two decades of deep experience in all facets of marketing and communications in the fields of technology, advanced mobility, and energy.

Prior to Altair, Messano served as vice president of integrated marketing and communications at Aptiv (formerly Delphi), where she was a key player in launching the spin-off company. Previously, she held various senior roles at Microsoft and DTE Energy. Throughout her career, Messano has received countless awards for leading and launching innovative campaigns that have driven exceptional results through world-class collaboration.

Messano earned a master's degree in journalism from Northwestern University and a bachelor's degree from the University of Colorado.
